#SolvedStories

2024 Flock Safety #Solved Awards

In case you missed it—the 2024 Flock Safety #Solved Awards are here. Nominate an officer who has gone above and beyond in the pursuit of solving crime and shaping safer communities through the use of technology and community partnership.

Flock Safety's Impact in Scottsdale, Arizona

Learn how Scottsdale Police utilized the Flock Safety suite of solutions to allocate resources effectively, empower operators and ensure officer safety, and be more time-efficient in high-pressure scenarios.

Here's what you missed on the blog

How to Develop a Level 1 Real-Time Crime Center

Developing a Level 1 Real-Time Crime Center involves several steps and considerations, including selecting the right technology, identifying data sources, and establishing processes for data analysis and dissemination. Download this free guide to learn the general framework for establishing a Level 1 RTCC.

Solve Gun Crime Faster with Full Context, Layered Technology [On-Demand Webinar]

Unlike traditional gunshot detection, Flock Safety Raven® allows agencies to add another layer of context to their existing LPR and video resources to fully see a virtual crime scene, identify victims and leads, and solve crimes faster. Watch the on-demand recording to learn more.
